By signing this attestation form, the Applicant agrees to the following:

I have read, understand, and agree to the Terms and Conditions.

I certify under penalty of perjury that, to the best of my knowledge, the information provided in this application and supporting documentation is accurate.

I understand that the rebate amount is based on vehicle type, total vehicle price and the rebate amounts available at the time of my vehicle purchase or lease and can be no more than the total vehicle price paid for the vehicle.

I anticipate my rebate to be \$_____ based on my total vehicle price of \$_____.

I understand that the vehicle rebate amount may be adjusted according to program rules during processing.

The Rebate Calculator (<https://evrebate.oregon.gov/rebate-calculator>) may be used to estimate the rebate amount prior to application submission.

I attest my vehicle has not been declared a “totaled” vehicle or a “total loss” or have a salvage title.

I attest my vehicle has not been previously owned or leased by the person or a household member.

I attest the vehicle will be primarily used by household members.

If it is later discovered that the above attestations are found to be untrue, the application may be denied, or the rebate amount may be adjusted according to the vehicle type, price and rebate amount available at the time of purchase or lease. If the applicant has already received the rebate and the above are found to be untrue, the applicant may be required to repay the rebate amount back to the program.
